The latest and by far the most important improvement in Photography is the recessity patented picture known as the SPHEREOTYPE, which is not only new and unlake any of its prodecessors, but greatly superior to all. The Sphereotype is proof against TIME, AIR and WATER, and for richness of tone, warrath of expression and distinctness has to equal—in fact the illusion is such that the picture, or image, seems suspended in air, entirely indeposited of the back ground.

For this picture we have the excinsive right for Memphis. Specimens can be seen in our Gallory, where pictures are also taken in the various style by our Artist, PROF. REMINGTON, PROF. REMINGTON,
